What are Reflections Panels Made Of ?

Reflections panel is a composite panel consisting of an aluminium skin and a high density fire retardant mineral fibre core ensuring durability and strength.

The panels are coated using a high gloss paint technology. Reflections metallic decors subtly incorporate metallic flakes allowing for more light reflection.

Common applications for Reflections Splash back panels

Kitchen splash backs
Vanity splash backs
Kitchen Island and bar backs
Shower enclosures / shower walls
Bathroom wall panels
Laundries
Alfresco kitchens and BBQ area
Spa surrounds
