Edge Straight - 100mm Inox Finish

Edge Straight

Inspiration for Edge Straight came from the desire to design the ultimate edge mounted profile handle. Edge Straight has timeless elegance and an excellent grip. It is versatile, easy to install on standard panel thicknesses and economical to produce in a range of lengths and finishes.

FINISHING TOUCHES LASTING IMPRESSIONS

Every project tells a story - of the time, care, and craftsmanship that goes into it. The finishing touches, like the handles you choose, are what elevate a project from finished to unforgettable.

Our Project Range has been created to give you choice, flexibility, and confidence. Whether you're after a subtle design that blends seamlessly or a bold look that stands out, the right option is here. With reliable quality and practical pricing, you don't need to compromise style to stay on budget.

Because in the end, it's the little details that leave the lasting impression.
